Non-stop power

Whenever and wherever you need it

Imagine having the extreme portability of the lightest notebook, but with the power-packed performance of a multimedia PC. The ground-breaking **Samsung X120** ultra-thin notebook, weighing only 1.36 kg the X120 is so light you could almost forget that you're carrying it. It's also just 25.4mm in depth and has an ultra smooth and minimalist profile, so it's extremely comfortable to carry – and a really stylish accessory for modern living.

By combining the power-optimized performance of an Intel processor and 11.6" high definition LED screen the X120 delivers an exceptional battery powered performance. It also features an extensive range of ports and communication tools for simple connectivity and information sharing. So with the X120 you can just keep on going and going.

Design for great value

The X120 is a powerful, yet affordable style leader. Offering great all-round value by combining outstanding quality and performance in an ultra-stylish design, the X120 delivers a more enjoyable and productive user experience.

Easily much thinner

An ultra mobile notebook for around a pound or less than a Euro? The X120's slimline design is just 25.4 mm in depth, which is virtually the same height as a £1 or €1 coin. And with an ultra smooth profile it's comfortable to carry and easily slides into almost any bag, case or luggage.

Carry less - do more

Be careful, the X120 is so light you may forget you're carrying it! Weighing just 1.34 kg (with a 4 cell battery), the X120's ultra lightweight design provides maximum portability. But it still incorporates comprehensive functionality for maximum performance on the move. So you can carry less, but do more.

Class leading craftsmanship

Life on the move can be pretty hard. But the X120 is just as tough, with a robust and ergonomic design built to the highest quality standards. Its durable casing provides amazing strength and superior reliability. So it's more than capable of coping with the everyday bumps and knocks of life on the move.
