

Stunning presentation on a 22-inch diagonal wide-aspect screen

HP LP2275w 22-inch Widescreen LCD Monitor

The extra-large HP LP2275w 22-inch Widescreen LCD Monitor offers premier performance and connectivity features in an elegant 22-inch diagonal wide-aspect screen designed for power, design, and workstation users who appreciate expansive widescreen presentation of their graphics, video, and data projects.

Impressive performance

Enjoy crisp, clear, high-resolution onscreen presentation from the 1000:1 contrast ratio, sharp resolutions to 1680 x 1050, an extra-bright screen, and 92% color gamut

Smart software

Automatically optimize display settings with SetRefresh. Use HP Display Assistant to set theft deterrence features and adjust the display through the connected PC. Help protect against image retention and reduce energy costs with HP Display LiteSaver, which allows prescheduled Sleep mode

Environmentally responsible

This monitor meets stringent worldwide environmental regulatory standards, is ENERGY STAR® qualified, and received a Silver ranking from the Electronic Products Environmental Assessment Tool (EPEAT™)

Enhanced compatibility

Toggle between legacy and developing graphics technology with connections that support analog or digital modes, as well as DisplayPort. This monitor also offers HDCP support for encrypted data content. Enjoy quick peripheral connectivity from the monitor instead of the desktop or workstation, with the built-in USB hub

Get comfortable

Find the most comfortable viewing position with wide viewing angles, and height adjustment, tilt, swivel, and 90-degree pivot rotation features. The built-in HP Quick Release in the stand enables wall and arm mounting and simplifies tiling of multiple units for panoramic displays

Enjoy peace of mind

The HP LP2275w monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP workstations and the full line of HP business products. The three-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world
