

Corporate elite.  
Serious business, rugged features, 14.1-inch diagonal display

HP recommends Windows Vista® Business.

## HP EliteBook 6930p Notebook PC

The HP EliteBook 6930p sets a new standard for on-the-move productivity with all-day battery life <sup>1</sup> and business-rugged features. With a starting weight of only 2.1 kg, this newly-designed notebook meets the military standard MIL-STD 810F for vibration, dust, humidity, altitude, and high temperature.<sup>2</sup>

### Empower your business

Strengthen security measures and remotely monitor, diagnose, and repair PCs over the network with Intel® Centrino® 2 with vPro™ technology. Choose between integrated Intel graphics or ATI graphics with up to 256 MB dedicated video memory. Benefit from the mercury-free, 14.1-inch diagonal widescreen Illumi-Lite LED display which is lighter and more energy-efficient than standard CCFL display technology.

### Enjoy wireless in more places

Whether you're across the street or across the country, integrated HP Mobile Broadband capability, Wi-Fi CERTIFIED™ WLAN and Bluetooth® help you stay connected in more places. You also get the flexibility to add HP Mobile Broadband at a later date.

### HP Professional Innovations help you focus on your business

Built to last. Enhanced reliability features such as HP DuraCase, HP DuraKeys, HP DuraFinish, and HP 3D DriveGuard give you a durable device that has been tested at extreme temperatures of 60°C and -29°C and withstands bumps, vibrations, and high humidity, so your notebook can go the distance.

Built to simplify. Boost your productivity while maximizing ease of use. The 2 MP Webcam with Business Card Reader software means you will never forget a name, e-mail or phone number. The webcam is also perfect for video, web conferencing, and VoIP. Take advantage of the HP accessory portfolio for a better computing experience.

Built to protect. An array of multi-layered, customizable security solutions help defend your network, your applications, and your data.
