

# HP Performance Series HP LP3065 30-inch Widescreen LCD Monitor

Showcase your dazzling  
hard work on an awesome  
30-inch wide-aspect screen.

Stop your co-workers in their tracks with the stunning new 30-inch diagonal HP LP3065 Flat Panel Monitor. This flagship monitor features best-in-class performance and presentation features on a huge wide-aspect screen while letting you work as comfortably as possible—you might even forget you're at the office.

### Advanced features

The premier selection of features includes:

- Get amazing crisp, clear, high-definition views of the work you've invested your time and talent in creating with presentation features such as 1000:1 contrast ratio, sharp, high graphics resolutions up to 2560 x 1600, 102% color gamut, and an extra-bright wide-format 30-inch screen\*
- Position the monitor for the way you work best—wide 178 x 178 degree viewing angles enable viewable sightlines from anywhere in the room
- If you prefer to work simultaneously with multiple units, this monitor's thin bezels allow seamless tiling for uninterrupted panoramic data and graphic displays

- Minimize clutter on the desk or mount the monitor flush with the wall, thanks to the integrated power supply that eliminates bulky "power bricks"

### Improved user comfort

The HP LP3065 monitor helps you maximize your investment protection with easy device connectivity through the built-in USB hub, so you can connect peripherals such as the optional HP Speaker Bar through the monitor instead of at the PC.

### Quality, reliability, and support

The HP LP3065 monitor is just one more product that comes with the HP-standard peace of mind. The monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP desktops, workstations, and other products. The three-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.

THE COMPUTER  
IS PERSONAL  
AGAIN.
