

HP ZR24w 61 cm (24") Widescreen LCD Monitor

Performance, quality and style come together

HP introduces a new Performance Series monitor with the extreme visual performance, 8-way comfort adjustments and power-saving features your business demands.

Power efficiency features you can afford

The HP ZR24w S-IPS Performance Series monitor not only looks stylish with its brushed aluminum accents, but it also contains efficiency features that make it stand out from the rest of the pack. It comes with a power supply that is greater than 85% efficient ¹ and the chassis contains a minimum of 25% post-consumer recycled resin for more responsible resource utilization. When you purchase a HP ZR24w, you can be confident that you have chosen more efficient and responsible IT equipment.

Trail blazing visual performance

The HP ZR24w helps achieve maximum accuracy with leading-edge visual performance technologies in an affordable package. The S-IPS panel, with native sRGB-class performance (97% coverage of sRGB), provides an accurate representation of the colors used in engineering, creative and professional applications for enhanced on-screen color accuracy. With 16.7M displayable colors, 1920 x 1200 resolution, a 16:10 aspect ratio, 3000:1 dynamic contrast ratio and ultra-wide viewing angles, the HP ZR24w delivers outstanding visual performance. Inputs include HDCP-compliant DisplayPort and DVI and VGA. Finally, convenience is maximized with the HP Quick Release and integrated 4-port USB hub.

Adjustment features your body will appreciate

The HP ZR24w enables maximum comfort and best visual positioning with an 8-way comfort adjustable stand that provides tilt, pivot and swivel, plus an exclusive feature of the Performance Series, column height adjustability. This spring-assisted telescoping column makes it easier to increase your comfort as well as your productivity throughout the day. Lastly, as an added bonus, integrated cable management has been made even more convenient with a new snap-on cable cover.

Better together

Discover the companion HP Z Workstations that are tested with all HP performance displays and feature complimentary industrial design and high efficiency power supplies for a smart and efficient workstation solution.
